

# DO YOU HAVE AN INTEREST IN IMPROVING THE SERVICES AND CONSUMER EXPERIENCE AT ECHUCA REGIONAL HEALTH? THEN WE'RE LOOKING FOR YOU!

We are looking for members of the community to join our NEW Consumer Advisory Committee. The Consumer Advisory Committee is a Committee of the Board. You will work with our Board, executive team and key staff, to provide strategic advice from the perspective of our community in relation to health service policy and service development. You can expect to be involved in major initiatives and creating positive change.

In your role as a Community representative on this committee, you must be a consumer, carer or community member. You will provide leadership and direction to ERH by integrating the views of our consumers into all levels of the health service, and advocate to the ERH Board on behalf of the community, our consumers and carers.

Being on a Consumer Advisory Committee is about working in collaboration with our health service. As a member of the committee you will need to think not just about your personal views and issues but about the broader community and the collective impact on all consumers.

ERH's experience in working with the community and consumers to date has been rewarding and effective. The Community Advisory Committee works to promote and strengthen consumer participation across the organisation and we look forward to receiving your expression of interest to join!

**To submit an Expression of Interest or for more information, please email [enquiries@erh.org.au](mailto:enquiries@erh.org.au) or contact Shari Butcher, Consumer Engagement Officer, 03 5485 5087. Submission's close Friday 19 March 2021**
