

ECHUCA DENTAL CLINIC

Est. 1954

ECHUCA DENTAL CLINIC

Proudly serving three generations of families in Echuca and surrounding communities with General and Cosmetic Dentistry for over 60 years. Est. 1954.

Deciding to enhance your smile is an important decision and choosing between the wide range of available procedures may be daunting. At Echuca Dental Clinic we pride ourselves on offering a supportive, friendly environment, where you can feel free to express your concerns, hopes and expectations. Our goal is to work in partnership with our patients so they can make informed decisions and select the treatment best suited to their needs.

So whether you want to redesign your smile, whiten your teeth improve your oral health, make a subtle cosmetic enhancement or obtain general dental care for yourself or your family speak with us today!

We welcome you with open arms, warm hearts and big smiles. Our office is staffed to provide a comprehensive range of top quality affordable dental services for your entire family from the youngest child to eldest senior.
